Dear Parent/Carer

Firstly, I wanted to thank you for the way you have supported both your child and us with the start of exams – the buzz around school has been great and it is really clear to see the hard work paying off.

I also appreciate this is a tough time for your child and they see other schools offering ‘study leave’ which allows pupils in Year 11 to only attend school when they have an exam. Whilst I know this is the preferred option for many pupils, it is something that we do not offer at this stage. All pupils in Year 11 have a bespoke offer which centres around them having the greatest exposure to subject specific revision, intervention and specialist teachers right up until the day of their exam.

We have three school weeks left until the exams are over and we are determined as a school to give every pupil the best chance possible therefore, I politely request that you support us by ensuring your child stays in school and accesses the revision opportunities available to them. At this stage, requests to leave school after an exam will not be authorized, however, we will revisit this arrangement in a couple of weeks.

Yours sincerely

Todd Johnson
