Dear Families,

As we reach the end of another busy term, I want to take a moment to celebrate the dedication, resilience, and ambition shown by our pupils over the past 6 weeks. Their commitment to learning and striving for excellence has been truly inspiring.

Throughout this term, our pupils have demonstrated remarkable perseverance and enthusiasm in all aspects of school life. From academic achievements to extracurricular successes, they have embraced every opportunity to challenge themselves and grow. Their desire to achieve well is evident in the way they engage with lessons, support one another, and take pride in their work.

A particular highlight has been the positive attitude displayed across all year groups. Whether preparing for assessments, completing projects, or participating in school events, pupils have shown that hard work and determination bring great rewards.

Our Year 11 pupils have recently begun their PPEs, and we are incredibly proud of the way they have approached this important period. Their focus, maturity, and commitment to their studies have been outstanding. These exams are a vital step in their preparation for the summer, and we encourage them to continue revising diligently while also looking after their well-being. Many of them will be in next week, during the break, which again shows the dedication to their study and also the commitment of our staff to support pupils.

As we move into the next term, we will encourage all pupils to maintain their momentum and continue striving for excellence. I will specifically be talking about the importance of community and how we all can contribute towards a positive culture at WFA – we will be introducing our new ambassador programmes, sharing news about our activities week and talking to pupils about the value of enrichment. With ongoing support from staff, peers, and families, we are confident that they will continue to achieve great things.

Thank you for your continued support, and we wish you all a restful and enjoyable break.

Warm regards,

Mr Kieron Beeby
Head of School

'Be Inspired'
